Sir:

Your letter of October 1, 1909, is at hand. In reply you are advised that it is impossible for me at this time to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on, and the roll finally approved by the Court no money can be paid.

You will receive due notice of when the money is to be paid, and anything further required of you in the matter.

Very respectfully,

Special Commissioner.

Mary C. Heath,

Madam:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your father, James Darby, who you state lived in Pickens County, Georgia, in 1851. Why was he not enrolled with the Eastern Cherokees at that time?

State why your grandfather, Charles Darby, was not enrolled with the Eastern Cherokees in 1851 and 1835.

Were you held as a slave; if so, were you owned by white people or Indians?

Please reply promptly and refer to No. 16276.

Very respectfully,

Ira H. Latham,

Canton, Georgia.

Sir:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your grandfather, Rufus Randaller, who you state lived in Cherokee County, Georgia, in 1851. Why was he not enrolled with the Eastern Cherokees at that time? Was he living in 1835: if so, why was he not enrolled at that time with the Cherokees?

Were your parents or your grandparents held as slaves; if so, were they owned by white people or Indians?

You are requested to address your reply to this letter direct to this Office.

Please reply promptly and refer to the number of your application in your letter.

Very respectfully,

• Special Commissioner.

Sir:-

Replying to your letter of April 12, 1907, relative to the application filed by you for Elender C. Prather, of Ball Ground, Georgia, you are advised that apparently this same party filed an application, through her attorneys, on January 29, 1907, which she signed and acknowledged before D. P. Pool, Notary Public, on the 3rd day of January, 1907, and in which application she states "Sharp & Sharp of Rome, Georgia, and J. C. DePutron & Co., of Washington, D. C., are my recognized attorneys in the prosecution of this claim." Messrs. M. L. Jones and W. C. Coffey signed the affidavit to this application.

In the application which you filed for this same party she has signed by her mark, but gives practically the same information relative to her father and mother and parties through whom she claims as contained in the first application filed, excepting she does not give the date of her birth. In her first application she states she was born October 6, 1844.

As far as this Office is able to learn both of these applications were filed by the same party.

App. No. 16312

February 21, 1908.

Mahala Halloway,

Sugar Valley, Georgia.

Madam:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your father, Willis Dockery, who you state lived in Pickens County, Georgia, in 1851. Why was he not enrolled with the Eastern Cherokees at that time?

Why were your grandparents not enrolled with the Cherokees in 1851 and 1835?

Were your parents held as slaves; if so, were they owned by white people or Indians?

Please reply promptly and refer to No. 16312.

Very respectfully,

Rebecca Todd, being duly sworn, deposes and says:

My name is Rebecca Todd. I am 56 years old. I lived here until about ten years old when we moved to Pickens Co. S. C., and then came back here. I claim Indian blood. I claim Cherokee blood through my mother. I never got any money from the Government. I never applied for any. Her name was Polly Herbert. I suppose Mary was her name. She was a Mills before marriage. My mother lived here and in S. C. She talked about living in the territory before her marriage. I never heard her say she went west of the Mississippi. I heard mother say that all who claimed this blood would be driven off and that is the reason they were not enrolled. I do not know that my mother ever lived with the Indians. I never heard that they were parties to the treaties, although I heard them talked off. The Indians came to our house but I do not know that my mother visited them. My mother and her people were always recognized as white. We did not want it known that we had Indian blood. My mother got her blood from her mother Jane Mills, or Jinnie Mills. I thought at the time of making out the application that my mother's mother was named Sally but since that time I have learned from some of my relatives that her name was Jinney. I never heard my mother say that they lived with the Indians. I never heard that my grandmother Jinny Mills got any money from the Government. My mother's brothers were George, Billy and Aaron Mills. Uncle Billy went west about 35 or 40 years ago. I never heard of Samuel Mills.

My name is Sarah M. Phillips. I am 48 years old. I have lived in Georgia all my life. I never received any money from the Government. I never applied before. I claim through my father who was a Cherokee Indian, Jonas Oliver Mill. He lived in Georgia as long as I can recollect. He has been dead since I was a small child. I reckon he was living in 1851, and in Georgia. He was never enrolled. I cannot tell you why he was not enrolled. I do not know whether he ever lived with the Indians. I never heard any talk of it. I cannot tell where he got his blood but think it was from his mother. Her name was Jinnie Mills, Jinnie Hoover before marriage. I do not know whether she ever travelled around with the Indians or lived with them. I never heard any talk of the treaties, or that they were parties to the treaties. I have been told that Jinne Mills was a full-blood. She came from South Carolina. I never heard that she went west. She had one sister, Sally Hoover, Sallie Gilbert after marriage. They have all been recognized as white with Indian blood and generally accepted as such in the community.

deposes and says: Doyle Phillips, --- being duly sworn,

My name is Doyle Phillips. I am 53 years old. I never lived west of the Mississippi. I was born in Pickins Co., S. C. I have been in Georgia about 23 or 24 years. I never received any money from the Government. I never made application before. I have been told it was Cherokee blood. I claim through my mother, Sally Phillips. Sally Williams before marriage. She has been dead about 45 or 46 years. She was living in South Carolina in 1851. She was not enrolled by what my father told me. He said that the reason they were not enrolled was that they thought the time would come when every person who had been enrolled as an Indian would be sent away from this country and would not allow his wife to be enrolled. I have heard my father talk about the treaties of 1835-6. My mother's father was Dread Williams. I don't know where he was living at that time unless it was in Raybun Co. I have been told that he was a half-blood. I have heard that they never received any of the money that was appropriated. I do not know that Dread Williams ever lived with the Indians as an Indian, but ever Fall of the year they would come to my grandfather's and he would hire them until the Spring. My people have always have been recognized as whitepeople with Indian blood. I do not know that he ever had any brothers but I have heard talk of Billy Williams but cannot say what relation he was, if any. Dread Williams had a son John, brother to my mother. He lived in Georgia and said when he left that he was going to the territory. My mother had a sister Rachel and Nancy and sometimes the other name was called Edo and Ena.

Your letter of April 10, 1908, relative to the demand made by Mr. A. W. Ballew for \$5.00, to pay for alleged errors in your application for participation in the Eastern Cherokee fund, is at hand.

In reply you are advised that it is entirely unnecessary to make this payment to Mr. Ballew.

In the first place it appears from your application that you claim through William Justice and Jennie Justice, whose maiden name was Jennie Keener, so that it does not seem that you have made any mistake in that regard, but if you had made such a mistake all that would have been necessary for you to do would be to notify this office, making the correction.

There is no charge of any kind made for the filing or consideration of these claims by this office and there is no reason for making a charge of \$5.00, or any other sum, at this time.

Very respectfully,

CC:NLC.

Special Commissioner.

16318

April 13, 1908.

A. W. Bullew,

324 Houston Street,

Atlanta, Georgia.

Sir:

I am in receipt of a letter this morning from one of the claimants represented by you, in which he states that he has received a communication from you demanding \$5.00 to pay for a mistake in his papers. He states that you say he has made an error in the statement of his grandparent's name. From an examination of this application it would appear that no mistake has been made, and of course there could be no possible excuse for your making a demand upon him for a payment of \$5.00 under these circumstances. Even though he should have mis-stated the name of some ancestor, there would be no excuse for you to make a demand for any such sum for correcting the same.

I feel constrained to say that if further complaints of this character should come to my attention I shall be compelled to refuse to recognize you as an attorney in these claims.

Very respectfully,

Special Commissioner.

SM:MLC.

February 1, 1907.

Hon. C. T. Underwood,
House of Representative,
Washington, D. C.

Sir:-

In response to your personal inquiry relative to the subject matter of a letter from Messrs. Cough & Dalbey of Birmingham, Alabama, bearing date of January 28, 1907, relative to the Eastern Cherokee application of Laura C. Bloodworth, I have the honor to report that if upon further examination the application of Mrs. Bloodworth is found to be informal or incomplete, she will be called upon for an additional statement, but her present application will be deemed sufficient to protect her rights.

There would still be ample time for filing a formal application, as the time within which such applications must be filed was today extended to March 31, 1907.

In regard to the matter of the employment of an attorney, this Office has uniformly taken the position that unless there is some unusual complication in connection with the case there is no necessity for the employment of an attorney.

#2--Hon. O. W. Underwood:

The letter of Messrs. Couch & Dalbey is returned
herewith.

Very respectfully,

Riley Goins, being duly sworn, deposes and says:

My name is Riley Goins. My age is 50 years. I was partly raised in Oklahoma. I was born in Tennessee in 1858. I have been in Oklahoma about 35 years. I did not get the strip money. I was not considered a citizen. I failed to establish my right as a Cherokee Citizen. I did not apply to the Dawes Commission. I have Cherokee blood. I get my blood from both parents. My mother is dead; been dead 7 years. She was living here at the time of her death. She was about 60 when she died. We came from Kentucky about 35 years ago. My mother's name was Polly Fields. Her brothers were Martin, Riley, John Fields. Riley lived in Tennessee and in Kentucky. I don't think he was older than my mother. John lived and died in Tennessee. I think he was younger than Riley. His sisters were Cozania Fields, who married Goins; Isippi, married a man by the name of Bolden. (For Riley and John look on 1851.) My mother's father was George Fields. He came out here from Tennessee. He came here with the Emigrants and then went back. I think he had a brother by the name of Dempsey. My grandmother on my mother's side was a Goins and my father was a Goins. Nathan Goins was my grandmother's brother. Martin Goins was a brother to my grandmother. My father's name was Nathan Goins. My father lived in the Territory. He died here; died about 15 years ago. I don't know whether he was enrolled in 1851 or not.

My father's father was Thomas Goins. I don't know my grandmother's name on my father's side. My father's brothers were John Goins who lived in Tennessee. He lived until about 60 years old; Henry Goins; Eliza, Isippe were sisters. (For Eliza and John look on 1851). I don't think they ever associated with any other tribe of Indians. I don't know why they were not enrolled. I do not know if they were regarded as Old Settlers.

Shepherd Cole,

Gullett, Kentucky.

Sir:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your father, Charles Cole, who you state lived in Kentucky in 1851.

State why you and your father were not enrolled with the Eastern Cherokees at that time.

Why were your grandparents not enrolled with the Cherokees in 1835?

When did they go from the Indian Nation to Kentucky?

Were you held as a slave; if so, were you owned by white people or Indians?

Please reply promptly and refer to No. 16346.

Very respectfully,

Special Commissioner.

*Copy of letter to Geo B. Gardner
Int. Dept.*

March 14, 1908.

Enclosed you will find copy of letter from Special Commissioner to Shepherd Cole, which explains itself as to what Shepherd is wanting, but there are some of the questions asked that he does not understand and he has gotten me to write you to see the Commissioner and to have him to explain himself a little more fully. He does not know what he means by the enrollment of the Cherokeees in 1835 and in 1851. I think these Coles here are entitled to some of this fund and would be glad if you could help them some in the matter. Shepherd Cole's father moved to Ky. before 1835 and his father before 1851, his grandfather coming from Tenn. and his father from Virginia, and if there was any enrollment of the Indians in 1835 in Tenn. it was after his Grandfather had moved away.

Let your answer be addressed to Shepherd Cole, at Gullett, Ky., for which he incloses stamped envelope.

John W. Gardner,

Salisburyville, Tenn-
Kentucky.

App. No. 16346.

March 23, 1908.

Mr. George B. Gardner,

Interior Department,

Washington, D. C.

Sir:

In reference to your personal inquiry of this morning, you are advised that the questions asked in our letter to Mr. Shepherd Cole, Gullett, Kentucky, were relative to his application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokee.

For participation in this fund it is necessary that claimants establish the fact that they are Eastern Cherokees by blood, and that they were members of the Eastern Cherokee Tribe of Indians at the date of the Treaty of 1835-6 and 1846, or, are descendants of such persons.

In order to establish this fact it is necessary for claimants to show that they, or their ancestors, were enrolled with the Eastern Cherokees in 1835 or 1851, and from Mr. Gardner's letter it does not appear that Mr. Cole's ancestors were so enrolled.

Mr. Cole should answer the questions asked in our letter to him of February 21, 1908, as it is necessary that we

#2--G.B.G.

should know these facts in order to determine whether he is entitled to share in this fund.

An abstract of the decrees of the Court of Claims is inclosed, herewith, as it states more fully the requirements for participation in this fund.

Mr. Gardner's letter is returned to you, herewith.

Very respectfully,

Special Commissioner.

Chief Clerk.

My name is Shepherd Cole; I was born in Floyd Co. Ky. in 1849; I claim my Cherokee Indian blood thru both my father and mother; my father was born in Lee Co. Va. in 1827; my mother was born in Kentucky, I dont know the county. in 1826: my father got his Cherokee blood thru his mother: My fathers mothers maiden name was Luana Cole: my father was illegitimate child and took the name of his mother: I have been told by my grandmother that she was born in Tenn or N. C. I dont know what county. I do not know the year in which she was born; Luana Cole got her Indian blood thru both her father and mother: Her fathers name was John Cole: I dont remember her mothers name. I have heard from my grandmother that my great grandparents lived as members of the Cherokee tribe in N. C. I do not know when they lived with them or in what County of N. C. I do not know when my great grandparnets died;

My mother claimed her Indian blood thru her father who was a brother of Luana Cole, my grandmother.

In 1835 my father lived in Lee Co. Va. and my mother lived in Ky. In 1851 I and my parents lived in Floyd Co. Ky. None of my ancestors were ever enrolled that I know of; none ever received any Indian money or land as an Indian: none of the ancestors thru whom I claim were ever held in bondage: none of the ancestors thru whom I claim ever had an Indian name that I know of;

My grandfather thru whom I claim was a three fourth Cherokee. My grandmother Luana Cole was also a 3-4 Cherokee. All my ancestors have always been regarded as Cherokee Indian and English descent.

My mothers father moved from Tenn. to Ky before 1835.

Sally Vann,

Cookson, Oklahoma.

Madam:

You have filed in this Office Application No. 16349, claiming the right to participate in the distribution of the Eastern Cherokee Fund on behalf of your minor ward, Jim ^{ward} ~~Hard~~, through his grandparents who you state lived in Tahlequah District, Cherokee Nation, in 1851. The names, as spelled in your application, cannot be found on the Eastern Cherokee Roll made at that time. It is, therefore, necessary that you give the correct names used by them in enrollment with the Cherokees in 1851. Did both grandparents live in Tahlequah District? If only one, state which one. Were they enrolled with the Old Settlers?

Please reply promptly and refer to No. 16349.

Very respectfully,

Special Commissioner.

named Annie and not Katie. Joe Perdue was Too-chah's

App. No. 16349.

March 15, 1909.

Honorable J. George Bright,

Commissioner to the Five Civilized Tribes,
Muskogee, Oklahoma.

Sir:

There is on file in this Office an application for participation in the Eastern Cherokee Fund made by Sally Vann, of Cookson, Oklahoma, on behalf of her grand-nephew, Jim Leaf, a minor.

This child is the son of Sam Leaf and Katie (or Annie) Leaf, nee Perdue, and was born in 1896. The mother of the child is living, but the father died in 1897. Chewey Deer-in-the-water, born in 1904, is a half brother of the minor.

Sally Vann states in her application:

"This child is in my care and custody. This child may be down on the roll as Jim Davis. This child's mother wanders about from place to place and do not know now where she is."

We are unable to locate this minor, and will very much appreciate your assistance in locating him on the roll of the Commission and Commissioner to the Five Civilized Tribes, if possible.

Kindly refer in reply to WMA-16349.

Very respectfully,

Special Commissioner.

REFER IN REPLY TO THE FOLLOWING:

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

Muskogee, Oklahoma, March 22, 1909.

Mr. Guion Miller,

Special Commissioner of the Court of Claims,

601 Ouray Building,

Washington, D. C.

Sir:

Receipt is acknowledged of your letter of March 15, asking for information relative to a grand-nephew of Sallie Vann who goes by the name of Jim Leaf and is the son of Sam and Katie (or Annie) Leaf. 16349

In reply you are advised that this minor cannot be identified under the name of Jim Leaf. However, on Cherokee Census Card No. 9261, opposite No. 21145, is found the name James Gritts whose parents are given as Sam Gritts and Katie Deerinwater. Katie Deerinwater is the wife of Keener Deerinwater, her parents being Joe and Annie Pardo. She and her present husband appear to have two children, Wakie and Chewie Deerinwater.

I am unable to state from the records of this office who has the custody of this child, the only information I have relative thereto being a report of an employee dated December,

Guion Miller - 2.

1904, in which he states that he was unable to ascertain where this minor lived, but was advised by certain persons that he stayed at no place for any length of time.

Sir:

In the matter of the application which you have filed for participation in the Eastern Cherokee Fund, you are advised that the records of this office show that you have not filed a supplemental application for your minor children. In order that your children may participate in this fund, it is important that you inform this office immediately as to the following points:

Give the exact names and ages of all your minor children. Give the day, month and year in which each of them was born. If any of your children are dead, give the exact day, month and year in which they died. Did you ever have any children by the name of Ella, Gains, Isaac, Root or Oolskawney Leaf?

As the roll of the Eastern Cherokees is nearly completed, it is necessary that you answer this letter at once and furnish this office with the information requested herein.

Very respectfully,

Special Commissioner.

Appl. #16376-7655.

April 9, 1909.

Tom Still,

Westville, Okla.

Sir:

You will recall that while I was at Westville, Okla. on the 26th day of March, 1909, you appeared before one of my assistants and testified in the case of Jesse and Tom Lee. The records of this office show that Tom Lee has failed to file a supplemental application for his minor children. The Final Rolls of the Five Civilized Tribes show that Tom Lee had minor children living in 1902 and it is very probable that he had some minor children living on May 28, 1906.

You would confer a favor on Tom Lee if you would see him personally and urge him to file a supplemental application. As the roll of the Eastern Cherokees is nearly completed, it is very important that information regarding the names and ages of his minor children be furnished this office immediately. A letter has been sent to Tom Lee containing the points on which information is requested. It might be well for you to examine this letter.

Trusting that you may do this without any undue inconvenience, I am,

Nancy Seabolt being first duly sworn in behalf of Allie Pritchett, deposes and says:

That I am 82 years of age. I don't think either of applicant's parents were old enough to have been on the 1851 roll. None of Allie's people were Old Settlers; they were emigrants. Allie's grandfather on her father's side was Ste-wih or Steve Sittingdown. Steve Buzzard is the same as Steve Sittingdown. Ste-wih Su-lih was another name for him. Steve had a sister named Sin-nih. Don't know of him having any brothers. Don't know the name of his wife. Lee-stih was the name of applicant's grandmother on the mother's side. That's the only name I ever heard of her having. Su-lih was the name of applicant's grandfather on her mother's side. Su-lih in English means Buzzard. My mother's father never had any brothers. Don't know whether he had any sisters or not. My ~~xxxxxxxxxxxx~~ The roll number of applicant by Dawes Commission is 18312.

The # of my claim and the notice referred to I have lost.

Vian, Okla, March 26th, 1909.

To the Hon. Guion Miller,

Special Agent Court of Claims--

Sir:---

Some time ago I received a paper from you asking for information in my case--for shares in the emigrant fund-- I was unable to reply or attend the commission at the time, and now I make the attempt to answer--

My name is Yellow Bird, and I was residing in Flint Dist at the date of the emigrant payment in 1851,2.

My fathers name was Blackbird, my mothers name was Nancy, I then had a sister named Alcey or Alsey, and I had one brother named Con-lone-oo-has, and we all lived in Flint at the date of said payment in 1851,2.

My grand fathers name on my fathers side was, Gah-ner-tau-he, and that is the extent of my knowledge of my grand parents on both sides,---

Jackson Housebug was my fathers brother, my father had one sister named Katy, later marrying a man by name Bearpaw--

My father and mother and the bro and sister named were recognized emigrant cherokees--(see Flint Dist, list nameing as follows, #II. Blackbird, Nancy, Alcey, Yellow Bird, Con-lone-oo-has,)

Now I ask that in case further question is raised as to my identity as to rights in the premises, that I be awarded chance to prove same--

Respectfully--

Branche Myers.

Lucinda Green, ----- being duly sworn, deposes and says:

Lucinda Green is my name. I am 23 years old. I was born and raised in Tahlequah. I live at Foyil in this District. I was enrolled by the Dawes Commission, Roll No. 12122. Certificate NO. 35114. I had witnesses, my father. I was not enrolled before. I got my blood from my mother Little Squirrel. Her Indian name was Love. She lived in Tahlequah District all her life and was born there. My mother was a full-blood and my father a white man. My mother is dead; died about 23 years ago. I think she was enrolled in 1880. I heard my father say so. I think I have heard my father say that she was enrolled in 1851. I know no reason for her not being enrolled. I do not know anything about my grandmother on my mother's side, nor my grandfather. My grandparents on my mother's side drew Emigrant money. I never heard of any of my grandparents drawing Old Settler money. ~~Her~~ So-lol-o-neet or Little Squirrel was my mother's name. I was an orphan and adopted and know very little about my ancestry. Jahu Kelly is an uncle on my father's side. Lucinda Love was the only sister my mother had that I know of.

Madam:

You claim the right to share in the distribution of the Eastern Cherokee Fund through your mother, Rachel Kelly, who you state lived in Indian Territory in 1851. Why was she not enrolled with the Eastern Cherokees in 1851?

State why your grandparents, Thomas and Annie Youngsquirrel, were not enrolled at that time. Where did they live in 1835?

It is necessary that you give both the Indian and English names of your grandparents, stating which was used by them in enrollment with the Eastern Cherokees in 1851.

Were they ever enrolled with the Old Settlers or did they ever share in any Old Settler payment?

Please reply promptly and refer to No. 16386.

to sign the Roll. My Father and
Mother moved and removed two
or three times from Turkey to north
Carolina, and from Turkey to Tex
in the year 1856, after that time 1856
I heard them regretting they did not
sign the Roll. Saying if they had
they would in their last days have
had plenty of land.

and the reason myself & Bros. and
Sisters did not sign the Roll, we
were too young - Of course our
Parents controlled our actions.

I have often regretted that we
were not on the Roll, and
would love yet to be on them.

I don't know about the old Little
